Southern Tier HealthLink NY, Lackawanna Train Station

45 Lewis Street, Binghamton, NY 13901

The Southern Tier HealthLink NY invites the community to visit our offices in the former Lackawanna Train Station for the First Friday Art Walk on August 7th, from 6-9 p.m. This event combines dance performance and an artwork exhibit, where guests can participate in lessons and social dancing as well as view paintings of ballroom dancers.

Instructors from the local chapter of USA Dance will offer exhibitions and lessons continually throughout the evening, including tango, cha-cha, hustle, swing, salsa and waltz. USA Dance is a non-profit organization that offers workshops and social dances in the community in an effort to educate the public on the health and social benefits of ballroom dancing.

Paintings by local artist Chuck Williamson will also be on display. Chuck, an instructor at The Art School in Vestal, paints in acrylics and chooses ballroom dancers as a frequent subject matter.
